

# Cold is the Night (Capo: 1)

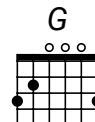

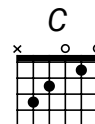

The Oh Hellos

*In intro/verses/interludes/outro, it alternates between measures of 3/4 and 4/4.*

Intro     |: **F**   **C**   **G** | **C**                    :| x2

Verse 1     **F**                **C**                **G**                **C**     //  
Cold is the night without you here  
/                **F**                **C**                **G**     **C**     ///  
Just your absence ringing in my ears  
**F**                **C**                **G**     **Am**     ///  
Hard is the heart that feels no     fear  
                     **F**                **C**                **G**                **C**     ///  
'Cause without the bad, the good disappears

Verse 2     **F**                **C**                **G**                **C**     ///  
Long is the road that leads me home  
                     **F**                **C**                **G**                **C**     ///  
And longer still when I walk alone  
**F**                **C**                **G**     **Am**     ///  
Bitter is the thought of all that time  
                     **F**                **C**                **G**                **C**     ///  
Spent searching for something I'll never find

Chorus 1     | **F**   /   **C**        /   **Am** /        **G** /  
Take this burden away from me  
                     **F**   **C**        **G** /        **F**  
And bury it before it buries me

Interlude     |: (**F**) **C**   **G** | **C**                    :| x2 (whistling)

Verse 3     **F**                **C**                **G**                **C**     ///  
Many are the days I've wanted to cease  
**F**                **C**                **G**                **C**     ///  
Lay myself down and find some relief  
**F**                **C**                **G**     **Am**     //  
Heavy is the head that gets no sleep  
/                **F**                **C**                **G**                **C**     ///  
We carry our lives around in our memories

Chorus 2     |        **F**   /   **C**        /        **Am** /        **G** /  
So, take a-way this a-----pathy  
                     **F**   **C**        **G** /        **F**  
And bury it before it buries me

Interlude     |: (**F**) **C**   **G** | **C**                    :| x2 (whistling)

**F C G C / / /**  
 Verse 4 Steady is the hand that's come to terms  
**F C G C / / /**  
 With the lessons it has had to learn  
**F C G Am / / /**  
 I've seen the things that I must do  
**F C G F / / /**  
 But Lord, this road is meant for two  
**F C G F / / / C / / /**  
 So, I am waiting here for you

**F / C / Am / G /**  
 Chorus 3 So, take my hand and set me free  
**F / C / Am / G /**  
 Take my burdens and bury them deep  
**F / C / Am / G /**  
 Take this burden away from me  
**F C G /**  
 And bury it before  
**F C G /**  
 Bury it before  
**F C G / F / / / C / / /**  
 Bury it before it buries me
