Just to feel the light of day

Had to open up my window

Get the shadows out my way

Banana pancakes for my problems

Find me jamming old Jack Johnson

Swear I heard them angel calls

Falls

Heaven falls, heaven fa-a-a-a-alls

As heaven falls, heaven falls

Nothin' quite like all this color

Couldn't paint a better day

Got good times on the horizon

I can see them on their way

Couple birds came up beside me
