

# I Just Can't Wait to Be King (in G)

Lion King

Intro (x4)

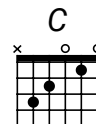

Verse 1

I'm gonna be a mighty king, so enemies beware

Well, I've never seen a king of beasts with quite so little hair

I'm gonna be the main event like no king was before

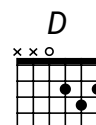

I'm brushing up on looking down, I'm working on my roar

Chorus 1

Thus far a rather uninspiring thing

Oh, I just can't wait to be king

Verse 2

No one saying do this

No one saying be there

No one saying stop that

No one saying see here

Free to run around all day

Free to do it all my way

Verse 3

I think its time that you and I arranged a heart to heart

Kings don't need advice from little hornbills for a start

If this is where the monarchy is headed count me out

Out of service, out of Africa, I wouldn't hang about

Chorus 2

This child is getting wildly out of wing

Oh, I just can't wait to be king

*Interlude*
