Verse 1

G / (-/-G7)
It's been a long dark night
C D G /
And I've been a-waiting for the morning
G / (-/-G7)
It's been a long hard fight
C D G /
But I see a brand new day dawning
C D G / (-/-G7)
I've been looking for the sunshine
C D G / (-/-G7)
You know, I ain't seen it in so long
C D G C
But everything's gonna work out just fine
G C - D G /
And everything's gonna be all right that's been all wrong

Chorus

G C G /
'Cause I can see the light of a clear blue morning
G C G /
I can see the light of a brand new day
G C G C
I can see the light of a clear blue morning
G C - D G /
Oh, and everything's gonna be all right, it's gonna be okay

Interlude | G | / |

Verse 2

G / (-/-G7)
It's been a long long time
C D G /
Since I've known the taste of freedom
G / (-/-G7)
And those clinging vines
C D G / (-/-G7)
That had me bound, well I don't need 'em
C D G / (-/-G7)
I've been like a captured eagle
C D G / (-/-G7)
You know, an eagle is born to fly
C D G C
Now that I have won my freedom
G C - D G /
Like an eagle, I am eager for the sky
