What If (Capo: 2)
Cody Fry

Intro | **C** | **F** | **Am** | **F** |

C   /   **F**   /
Verse 1 I drive across bridges so worried about falling that I miss the view
                    C   /   **F**   /
Already watching the news reports saying, "there was nothing anyone could do"

Dm − C/E − F   **Am** /
Pre-Chorus 1 In   my   mind, what if I fall
                    Dm − C/E − F
What if it's in   my   mind

                              C /   **F** /
Chorus | What if I fly,   get a little higher
                    Am   /   **F** /
Get out of my head for a minute, and just feel the wind on my face
                    C /   **F** /
Maybe the fear   just means I'm alive
                    Am **F~**
Maybe I'll fall,   but what if I...
C   **Dm − C/E − F**   / − G − **Am**   **Dm − C/E − F**   /
  Fly,   fly,   fly   (what if I,   what if I)

C   /   **F**   /
Verse 2 I think of you, pick up my phone, then put it down again
                    C   /   **F**   /
There's no way for you to reply to the messages I never send

Dm − C/E − F   **Am**   /
Pre-Chorus 2 In   my   mind, we'd never fall in love
                    Dm − C/E − F
But what if I'm on   your   mind

| **Chorus**

                              G   /   **F~**   /
Bridge Yeah, when I get to the end of my life, I wanna know that I   used my time
                    C /   **F** /
So what if I fall   straight out of the sky
                    Am   /   **F** /
Would I rather look back and wonder, or know that I actually tried

| **Chorus**

C   **Dm − C/E − F**   / − G − **Am**   **Dm − C/E − F~**
Tag   Fly,   fly,   fly
